ABOUT JORDI

Jordi’s desire to push the boundaries, not conform to trends, wear things that are out of the ordinary and confidently stand out in a crowd is what inspires and empowers many of her clients and has lead her to create her own design label - Wild. By Woods. This confidence to forge her own path is what makes her so sought after from corporate companies and individuals who want to align with her individuality and experience her talents as a personal, fashion and branding stylist.

This exceptional young woman has grown up with VC – literally (yes, she is Sam’s daughter)!
For the past 17 years Jordi has built her personal brand into one that not only helps but inspires many people of all ages. A fully trained VC Colour & Body Analyst, Visual Merchandiser, Makeup Artist, Fashion Stylist and Designer.

With her own clientel and having styled and hosted numerous fashion events, TV commercials, celebrities and workshops Jordi has established a very impressive and respected styling portfolio.

PORTFOLIO

From Fashion Ambassador at race days, to local centre styling, individual clients and styling on set of high-end corporate and celebrity TVC’s and photoshoots, Jordi is adaptive, versatile and can evolve any brief that is sent her way into an artwork.

STYLING

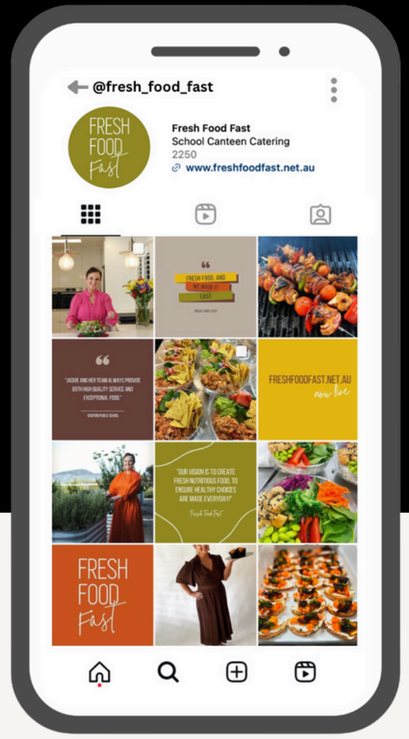

Styling from a young age and growing up in fashion, Jordi has been on set and styled high end catwalks, local fashion shows, worked behind the scenes of TVC’s and launched her own design label. Jordi's extensive portfolio of work includes world renowned celebrities, corporate giants, local businesses and everyday people.

From corporate branding and uniforms, to styling for the school run, Jordi does it all with creativity and passion.

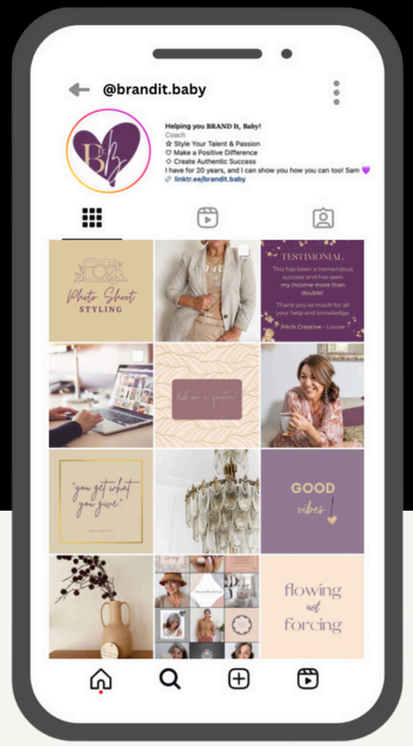

SOCIAL MEDIA

Jordi uses her creative skills to adapt businesses brand messages visually and aesthetically by styling social media for maximum brand awareness, exposure and to ultimately create profitable results and aligned brand collaborations.
